

School-Parent Compact 2009 - 2010

The Chesney Elementary staff and parents developed and agree that this compact outlines how parents, school staff, and students will share responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. A copy of this document will be distributed to each Chesney family.

The administration, faculty, and staff of Chesney Elementary School will work cooperatively to ensure a world class education for each student. Therefore, we will:

- participate in continuing professional learning to support student achievement.
- provide quality instruction as outlined in the Gwinnett County Academic Knowledge and Skills (AKS) and Georgia Professional Standards, as well as implement the Quality Plus Teaching Strategies in daily instruction.
- provide parents with several means to effectively communicate with the school's staff. Parent concerns and/or inquiries will be addressed within 48 hours of receipt.
- communicate consistently with each family through a variety of written communications, as well as holding Parent—Teacher conferences bi-annually to discuss the students academic progress.
- identify the instructional needs of each student and provide assistance to families to support class work at home in order to help students reach their fullest potential.
